Exception *Application Packet*

An Exception allows a property owner to legally deviate from specific terms of the Zoning Regulations which will not be contrary to the public interest, and where, due to special conditions, a literal enforcement of the provisions of these regulations, in an individual case, results in unnecessary or unreasonable, public safety and welfare secured, and substantial justice done. The Board of Zoning Appeals (“BZA”) considers a request for an Exception at a public hearing, and approves or denies the request after applying factual evidence to specific standards.

The Application Packet must be submitted with **all required materials listed on the Application Check List on page 2** to be deemed complete. City Administration cannot submit an application to the BZA for consideration until all requirements have been met. All materials will be presented as evidence at the public hearing and must be kept as part of the public record and will not be returned to the applicant.

The following items must be completed after the request has been scheduled for a public hearing. City Administration will provide assistance in completing these tasks. If these tasks are not completed, the Exception request will be delayed until the tasks are completed.

- **Public Hearing Yard Sign:** A public hearing yard sign is required to further provide notice that a request for an Exception has been submitted. The applicant shall obtain a Notice of Public Hearing Yard Sign and Instructions from the Community Development Department and post the sign on the property at least 20 days prior to the public hearing.
- **Public Hearing Yard Sign Affidavit:** On the day of the public hearing, the applicant must sign a Public Hearing Yard Sign Affidavit to verify that the sign has been in place at least 20 days prior to the public hearing. This form **must** be signed before 5 p.m. at the Community Development Department.

Notification Requirements

The City must notify all property owners within 200 feet of the property where an Exception request has been proposed. This notification allows individuals the opportunity to learn about the request and present any comments to the BZA at the public hearing.

The \$20 property owner notification fee paid to the Riley County Clerk’s Office is to compensate the County for ownership research as well as to create an accurate and up-to-date list of names and mailing addresses of the property owners within the notification area, as described above.

**IF YOU HAVE QUESTIONS ABOUT COMPLETING THIS APPLICATION, PLEASE
CONTACT THE COMMUNITY DEVELOPMENT DEPARTMENT AT 785-587-2412.**
