

UTILITY RELEASE FORM

_____ (applicant) has submitted a Final Plat to be called:

_____ (name of subdivision) for approval by the Manhattan Urban Area Planning Board. Please review the proposed utility easements shown on the Final Plat and sign below if they meet your approval.

Name	Title	Utility Company
------	-------	-----------------

If you have any recommendations or questions concerning these utility easements, please note them on the accompanying Final Plat and return to:

Return by: _____ (date)

Note: If we do not receive your comments by the above date, we will assume that the subdivision proposal provides adequate easements for utility services.

The subdivider/applicant, or their representative, shall make the necessary arrangements for the installation of underground facilities, including circuits for streetlights that may be required. Such arrangements shall be made with each of the companies or persons supplying electrical and communications service therein in accordance with the established charges of such company or person. The company/utility provider shall acknowledge above that the arrangements have been made.
